GIVEFORWARD

Message from the President

As President of the Leaders Education Foundation, I am honored to reflect on another transformative year advancing our mission of Making Lives Better, Together. Throughout 2024, our foundation has expanded its reach and deepened its impact across West Tennessee communities through strategic partnerships and innovative programming.

This year marked significant growth in our scholarship initiatives. Our partnership with Georgia-Pacific Dixie® has flourished, enabling us to fully realize our commitment to doubling workforce readiness scholarships. These Workforce Readiness Scholarships presented by Dixie® have opened doors for exceptional students pursuing career and technical education

paths, complementing our established collegiate scholarship program, which continues to support academic excellence.

We've continued our support for vital community programs, including the Jackson Grown Leader Fellowship, Ballet Arts of Jackson's school performance, and local Imagination Library chapters. The READ team, WestTeach, and Future Star Youth Summit are several key partners who have remained in our collective mission to enhance educational opportunities.

We supported the Story Book Trail project through the JAG Tennessee program at Huntingdon High School. The Story Book Trail presents a children's storybook on child-height panels along a short trail to

promote adult-child interaction around books and nature. Each panel features a reading tip to encourage family engagement by bringing the book to life for children. This student-led project of Huntingdon High School students presented the idea to the Huntingdon City Council to seek approval for installation at the Kelley Complex across from Huntingdon High School. The project has broken ground and is scheduled for completion this year.

We joined forces with the Greater Jackson Chamber and became the official Education Connection sponsor to help engage the community in education and create opportunities for business leaders to get involved. The programs supported include Pathways2Possibilities, annual Education Breakfast, Manufacturing Day, and professional development days for local schools.

We continued the expanded LEADS educator grants program, which in 2024 awarded over \$35,000 to teachers and classrooms in West Tennessee. Our support included professional development and teacher appreciation initiatives, investing in both the educators and students who represent our region's future.

We began planning for our inaugural EmpowerEd event, featuring Ramsey Personality, Dr. John Delony, which will mark a milestone for the foundation. The event will bring together educators, community leaders, and supporters while honoring five outstanding local educators through the EmpowerEd Educator Awards. This celebration of educational excellence will exemplify our commitment to recognizing those who shape our future generations.

None of these achievements would be possible without our dedicated volunteer board, staff, community partners, and generous donors. Your unwavering commitment to our cause has enabled us to create a meaningful impact throughout West Tennessee. As we look toward the future, we remain steadfast in our commitment to education and community enrichment. With your continued support, we will further expand our reach and amplify our impact in the years ahead. Thank you for partnering with us as we work together to Give Forward and Make Lives Better through the Leaders Education Foundation.

Kind regards,

LEIGH ANNE BENTLEY

5th Annual Meeting Minutes

April 16, 2024

Chair Ron Hill called the 5th Annual Membership Meeting to order at 5:30 P.M. at the J. Walter Barnes Conference Center in Jackson, TN. He explained that all business conducted during the meeting, including voting, would be decided through in-person votes cast by individual Foundation members present. He stated that the 2023 Annual Report was available at the meeting's check-in and was posted on the Foundation's website at leadersgives.org.

Chair Ron Hill led the invocation and welcomed the students from Arlington Elementary School. The students led everyone in singing the National Anthem and reciting the Pledge of Allegiance.

Chair Ron Hill called upon Secretary Eddie Hays to determine whether a quorum was present. Secretary Hays confirmed that a quorum was present.

Chair Ron Hill called for the reading of the minutes of the 4th Annual Membership meeting conducted on April 18, 2023. A motion was made to dispense with the reading of last year's minutes which are included in the 2023 Annual Report. The motion carried, and the minutes were approved as presented.

She then individually recognized each recipient of a 2024 collegiate scholarship, all of whom are listed in the 2023 Annual Report.

President Bentley next reported on the Foundation's campaign with Imagination Library chapters in Crockett, Gibson, Hardeman, Haywood, and Madison counties to raise awareness of the Foundation through new members who wished to support the participating Imagination Libraries. The 2023 campaign resulted in the Foundation's total donation of \$12,490 to the participating Imagination Library chapters.

The Foundation continues to support the United Way's READ Team and its WOW Wagon. President Bentley reported that in addition to its ongoing financial contribution of \$20,000 to the READ Team, the Foundation collected and was

pleased to announce it was presenting over 3,000 books for the WOW Wagon.

President Bentley then announced the Foundation would be participating through the end of May 2024 in a support matching campaign of up to \$5,000 to benefit the Jackson Arts Council's Jackson Art Box program. The program will provide Jackson Madison County School System counselors with free art supply boxes for students to use to express themselves. President Bentley informed the membership on how they could support this program.

President Bentley then introduced the 2024 Nominating Committee Chair, Mr. Ron Hill. He began presenting the Nominating Committee's Report by first recognizing his fellow 2024 Nominating Committee members, who are Mrs. Karen Taylor, Mr. Spencer Pratt, Mr. Seth Rudd and Mrs. Karen Freeman. Chair Ron Hill then extended the gratitude of the Foundation to outgoing Board member, Mrs. Mary Lou Adams. Mrs. Adams dedicated service as a charter member and as a director since the Foundation's inception and as the Chair of the Scholarship Committee for many years during the program's development has been of significant impact on the Foundation. Chair Hill then presented Mrs. Adams with a small token of appreciation for her service.
